

DistribuElec

DistribuElec exposition will be held from 4th to 6th February 2019 at Bombay Exhibition Centre, Goregaon (E), Mumbai.

DistribuElec 2019 is a uniquely designed concept to bring Utility, Consumer, Electrical Operational Technology (OT) and Information Technology (IT) on same platform to empower all stakeholders. It is India's only exposition on Power Distribution showcasing products, technologies and services from 220V till 33kV in traditional electrical equipment like transformers, cables, capacitors, switchgears, meters, insulators, conductors and new age technologies in distribution automation & control systems, energy efficiency, demand response, advanced metering, communications technologies, cyber security, electrical fire safety and more.

The show will attract a host of serious decision makers from across all segments to source new and innovative product and service solutions, stay in touch with the latest trends, network and do business.

BuildElec 2019, a concurrent exhibition has been planned to showcase convergence of OT and IT directly at consumer dwellings to make key utilization centres i.e. buildings - industrial, commercial and residential - more efficient and safe.

Buildings being the major consumption centres of electricity, this event will be an exclusive platform for exhibiting conventional and smart electrical technologies and equipment to make buildings more safe, efficient and intelligent structures.

Intelect 2019 is a concurrent conference in its 3rd edition with theme of “Towards Smart, Reliable, Efficient and Safe Electricity”.

It is requested that the respected Ministry may kindly disseminate this information among interested companies, who may learn more details and register online at <https://distribuelec.ieema.org/>. They can also contact Trade Wing of the Embassy at trade.moscow@mea.gov.in and mexec.trade@gmail.com.
