

Global Bio-India 2020

The Embassy of the Republic of India to the Russian has the honour to inform about the Global Bio-India 2020 to be held in New Delhi from 21 to 23 November 2019 organized by Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India along with its Public Sector Undertaking, Biotechnology Industry Research Assistance Council (BIRAC). The partners are CII, ABLE, Invest India.

Biotechnology sector is recognized as one of the key drivers for contributing to India's economy target of USD 5 Trillion by 2024 and is poised to grow exponentially over the next decade. Policy initiatives of Government of India such as Make in India program are aimed to develop India as a world-class Biotechnology innovations and Bio-manufacturing hub. India is among the top-12 destinations for biotechnology in the world valued at USD 51 Billion during 2018-2019.

Recognizing the importance of this sector, Global Bio-India 2019 would deliberate on the opportunities and key challenges in the areas of Bio-pharma, Bio-agri, Bio-industrial, Bio-energy and Bio-services sectors. Salient components of Global Bio-India 2019 would include events such as Bio-partnering, Policy dialogues, CEO Roundtable, Global Regulators Meet, Investors Roundtable, Country/ Ministries/ Departments/ States/ Startups Pavilions.

The event is expected to draw about 3000 delegates from across the globe connecting Indian Biotechnology ecosystem with International ecosystem. This mega international congregation of biotechnology stakeholders would include delegates from international agencies, regulatory bodies, Central & State Ministries, SMEs, Large industries, Clusters, Research institutes, Investors and the Startup ecosystem.
