

GLOBAL VIRTUAL TEXTILE & HOME FURNISHING EXPO 16-18 September 2020

Federation of Indian Chambers of Commerce and Industry is organizing the **1st Global Virtual Exhibition on “Textiles of India”** called **“GLOBAL VIRTUAL TEXTILE & HOME FURNISHING EXPO”** under the banner of **“GLOBIZ”-CONNECTING BUSINESS GLOBALLY**. The 3D Virtual Exhibition Platform commits to provide support to Indian business houses and manufacturers to explore business opportunities and connect with over 7000+ visitors and 500 buyers in the sector.

The Expo will bring together various stakeholders from the textile sector to come on a virtual platform to showcase their products, do one on one video meetings, have pre-fixed B2B meetings and participate in real time conferences and media interactions. It will provide a one stop solution to connect with desired buyers, traders, distributors, and decision makers.

The focus product categories are:

- Ready made garments (for men, women and children),
- fashion accessories,
- intimate and active wear,
- home furnishing,
- home décor including handicrafts and gifts
- yarns and cotton,
- fabrics and raw material,
- leather & shoes,
- technical textile.

The event will include:

- exhibition with Indian & International exhibitors,
- interactive sessions (webinar, special inaugurational sessions, and digital sector sessions)
- B2B meetings with buyers invited globally

Participation is free. Interested participants are invited to join the event. More details are available at <https://ficciglobiz.com/> .
