

Zero Emission Mobility Conference and Exhibition

The Embassy of the Republic of India to the Russian has the honour to inform about the Conference and Exhibition on ZEM “ZERO EMISSION MOBILITY” to be held in New Delhi from 20 to 22 September 2019.

The event will draw stakeholders from India and abroad to highlight and discuss how technological innovation and the existing ecosystem will play a supporting role to achieve the Government’s vision to incentivise and popularise low emission vehicles specifically targeting the public and shared modes of transportation.

The event will have participation from stakeholders covering the entire mobility value chain Automobile & Component Manufacturers, Original Equipment Manufacturers (OEMs), Charging Infrastructure Companies, Fleet Owners / Managers, Research and Development companies, Engineering and technology providers, Monitoring and software systems suppliers, Banks and financial institutions, Legal, regulatory and certifying agencies and Academia & think tanks. Government officials from both the States and the Centre, from nodal ministries and senior corporate executives will also be participants at this conference.

Potential exhibitors and guests are welcomed contact the organizers via e-mail surender.rai@cii.in, b.s.murty@cii.in (for exhibition) and sreya.majumder@cii.in, Kuhoo.saxena@cii.in (for conference). The Embassy may also be contacted via e-mail (eco1.moscow@mea.gov.in, mexec.trade@gmail.com) and over the phone 495 783 75 35 ext.363.
