Summer Charity Bazaar

Indian Women Association (IWA), Russia under the Auspices of Embassy of India, Moscow in partnership with Rosneft organized a Summer Charity Bazaar 2024 on August 10, 2024.

A cultural flagship event in the Annual calendar of IWA, Russia showcased the diverse and traditional dance forms, music, and cuisines from India.

The event also enriched the taste-buds of the visitors with a plethora of cuisines from different parts of India. The visitors had a first hand experience of learning Yoga, Kathak and playing Tabla from certified instructors.

The Bazaar took forward the initiative of making the planet greener by motivating visitors to sign up for planting saplings through a NGO.

The IWA will bring back Summer Charity Bazaar next year - 2025 with same Energy & Vigour.
